COURT PRIORITY:

1. No more than 4 courts may be reserved and/or used at any one time for league play, team practices, clinics or lessons without Tennis Committee permission.

2. Normally scheduled and approved ALTA and USTA home matches will be given priority on courts 1 through 4 as needed. When only one team has a home match, it may use up to three courts. If two teams have home matches, each team may use two courts.
3. At other times, the following guidelines apply:
 - a. Courts 1 and 2 may be reserved once per week by any member or group of members by following Court Reservation Procedures for ALTA or USTA home make-up matches (reservations will be allowed for away matches if taking place during the weekday and ending before 5:00 pm) or for T-2, K-Swiss or other league play matches.

4. Courts may be reserved for team practice provided, however, a team that has hired a tennis coach has priority over a team that has not. Adult teams may reserve 1 hour of time per week on courts 5 and 6. If necessary, the Tennis Committee may approve alternative practice arrangements.

After obtaining approval, the member must post the reservation on the tennis kiosk at least 24 hours before his or her lesson. Time allowed for lessons is 1 hour for a singles lesson and 1 ½ hours for a doubles lesson.

8. If a Twin Lakes team is having difficulty filling its roster, its captain can petition the Board to add non-members to its roster. The written petition should be sent to the Tennis Committee (which will present it to the board) and should contain the team's efforts to add Twin Lakes members.
9. The decision of the Board will be based on the team's need to add players so that the team can continue to participate in ALTA or USTA. If approved, the petition will cover a one-year term and will allow the team to add up to four non-members at a cost of \$50.00 per non-member, per season. The captain is personally responsible for the \$50 non-member fee. Non-members can attend team practices and home matches. Non-members shall have no additional rights under our bylaws or general rules. If a Twin Lakes member sells his or her membership but remains in the Twin Lakes Geographic Boundary as defined above, he or she cannot avail himself or herself of this provision during the two-year period following the sale of his or her membership.
